Webinar Description: Get your questions addressed about how to emotionally get through your experience as a caregiver. Janet will answer typical caregiver questions such as:

"How do I keep from drowning with so many responsibilities?"

"My mom is so mean to me and I am her 24/7 caregiver, how can I handle this?"

"Everyone says to take time for myself, but how can I possibly do that?"

"How can I better handle my day-to-day frustrations?"

"I feel like I've lost my relationship with my loved one and am only a caregiver. How can I turn that around?"

In addition to questions like these, Janet will take your specific questions during the webinar and answer them live.
